

PTO Membership

PTO School/Family Directory 2009-2010

The Grayhawk PTO allows parents to support our school, get involved, have a voice and provides volunteer opportunities.

Where will your \$20 tax-deductible donation go?

- The proceeds will go into the Grayhawk PTO budget used for purchasing items for the school. Money is given directly back to our classrooms benefiting our teachers and students. In addition, it will help supplement many fundraising and hospitality events throughout the year.**
- You will become a member of the Grayhawk PTO. You are NOT required to volunteer as a member.**
- Your child's and family name, phone number and address will appear in the Grayhawk PTO membership directory. As such, you will receive a directory. Additional directories are available for \$10.**

If you choose to opt out of the directory, only your child's name will appear in the directory under the class roster. No personal information will be listed. To omit your child entirely from the directory, please see the principal. Prior to publication, we meet with Mr. Hiemstra and remove any families that want to be completely omitted from the directory.
