Dear Friend of Grayhawk Elementary:

Grayhawk Elementary School PTO is planning its Twelfth Annual Auction on April 16th, 2010. This auction is the heart of our fundraising efforts and helps supplement the public educational needs of our children. We would greatly appreciate your consideration to support our school. As our business neighbor, you can help the children in our community by making a donation to this important event.

As you may be aware, the State of Arizona is ranked very low in public educational funding and we are facing over \$350 million in budget cuts this year. Due to these significant shortfalls in public funding, the success of this auction is vital to help provide mandatory items not otherwise available to our students and teachers within the District's budget. The money raised from the auction will directly support the educational needs of our children in several ways:

- Curriculum Enrichment
- Teacher Training
- Community Education
- Student Incentive Programs
- Elective Building Enhancements

Your sponsorship will allow your company's name and contribution to be featured in our auction catalog. Donations valued in excess of \$500 will allow your company's name and logo to be prominently displayed at the auction. Donations of \$1000 or more will entitle your company to a full color ad in our event catalog and a sponsorship sign hung in the front lobby of our school for the duration of this academic year and the opening of next year, providing the utmost exposure of your support.

Please send the attached form with your donation. Upon receiving your generous support, we will provide you with a written acknowledgement, along with a receipt for tax purposes.

Thank you for your consideration,

Jackelyn Cooper
