Updated 10/26/09

We encourage Horizon students to participate in as many activities as they would like. There is a wide variety of academic, athletic, artistic and inspirational clubs to choose from. If you need additional information about any of the clubs mentioned, please refer to the contact person listed for that club.

If you are interested in starting a new club, you must first find a staff sponsor. After you have a sponsor, please see Ms. Ihnat's secretary for the paperwork.

Watch daily scrolled announcements or posted information for new clubs and/or changes to current clubs. The club handbook will be updated on the website as new clubs are formed.
