Specials Classes

For **Art, Music and PE** all classes need to dress appropriately and wear close-toe shoes.
Music students in the 3rd – 6th grades are required to have a recorder. The recorder is an inexpensive flute-like instrument used for teaching music reading and instrumental skills. Students in the third grade and all new Liberty students will receive their first recorder compliments of the Liberty PTA. Replacement recorders are \$5. And may be purchased through the music teacher.

Dear Parent:
 In the Paradise Valley Unified School District, textbooks and basic supplies are provided. However, there are additional materials which are useful and may help your child to be more successful. This is a listing of OPTIONAL supplies which you might want to purchase in the back-to-school sales.
 We wish you an enjoyable and refreshing summer and look forward to seeing you and your child on August 17, 2009.
