

# North Canyon High School PTSA

*Supporting & Representing all Parents, Students, Teachers and Staff at NCHS*

The NCHS PTSA is the first and only high school PTSA currently in the Valley. Our goal is to support and represent everyone at our school, so we welcome all parents, teachers and students, as well as our neighbors in the surrounding community, to join us.

Sometimes it can be difficult to remain or become involved at your student's school once he or she reaches high school, but we want to make it easier. We seek to provide parents with an opportunity to stay in touch with what is happening at North Canyon through general meetings, volunteer opportunities on campus, helping with Senior Grad Night and in various other ways. We hope to facilitate communication between home and school. PTSA would also like to offer greater support to the teachers and staff at North Canyon by organizing volunteers to help in the library, with copying, in the attendance office, in the classroom where appropriate and anywhere extra eyes and minds are needed.
