

## **NCHS Attendance Incentive Program**

- Students in non-weighted classes earn bonus points for good attendance. These bonus points can raise a student's quarter grade up to half a letter grade.
- For the purpose of this policy, "absences" include excused, unexcused, sweep, in-school and out-of-school suspensions, etc. However, school function-coded absences (e.g. office, field-trip, religious holiday, and testing) do not count against a student's total number of absences when figuring credit for make-up work or bonus points.
- Each absence results in a commensurate loss of bonus points:

0 absences = 5% of quarter grade bonus

1 absence = 4% bonus

2 absences = 3% bonus

3 absences = 2% bonus

4 absences = 1% bonus

5 or more absences = no bonus points

- Students are responsible for turning in a record of their attendance for the quarter to their teachers to earn their points by the end of the quarter. This report is on the Personal Online Gradebook (pOGB). **The Attendance Office will not print and distribute copies of attendance records.**
- The Attendance Incentive Plan is not managed by the NCHS Dean of Students or the Attendance Office.
