Paradise Valley
Unified School District
"Where individual excellence is our goal"

September 2007

Dear Parents,

The Paradise Valley Unified School District has been actively developing a plan to meet more fully the needs of our English Language Learners. In collaboration with the Office of Civil Rights, we will ensure through the implementation of this plan, that our students are receiving the highest quality education possible.

It is our goal to support the total development of the English Language Learners with our efforts directed toward improving their personal and academic success. We will continue to strive to provide a high quality, accessible, equitable, relevant and accountable education in all of our schools. To this end, we aim for each student to become proficient in English so that he or she may achieve the expected learning outcomes of the District's curriculum.

During this new school year, we will be fully implementing this plan. We look forward to working in partnership with you in the education of your child. Should you have any questions or comments, please feel free to contact me at (602) 867-5287. Thank you.

Sincerely,

Lorraine Hendershott
Language Acquisition Director
