

Sandpiper PTO

Elementary School

Dear Fellow Parents,

Welcome back from what I hope was a relaxing and enjoyable summer. I am very excited about our 2009/10 school year. The PTO has already laid out the calendar of events, and we can't wait to get going!

This fall we begin Sandpiper's 31st year and we have plans to celebrate the 30 terrific years past. As part of the next decade of our school, I am hoping that each and every parent here will find a way to be involved with this wonderful place.

Enclosed in this packet you will find many ways to be involved in your child's school time. I hope that you will seriously consider taking part in as many ways that you can. We really have a great time making things happen for our teachers and students, so don't miss out.

I look forward to seeing you at our PTO meetings and around the school. Please feel free to contact me with any questions or concerns that you may have, I will do my best to address them in a timely fashion.

In this packet you will find info on meetings, email distribution, sponsorship, e-script, and volunteering. Be sure to look through it all so you can be dialed in this year.

See you at school!
