Course Goal and Description:

The goal of the program is to provide participating students with help from some of our own Sonoran Sky teachers as they work toward achieving their goals of building better study skills and consistent homework routines. Students will receive assistance with the organization and completion of homework. Homework Club is not meant to take the place of private tutoring. Only one application is needed for the entire school year.

Homework Club Coupon Books

Homework Club coupon books have been created. This will allow children to no longer have to carry cash to school and will assure parents no payment is forgotten. Coupon books can be purchased (10 coupons for \$10) and coupons are non-refundable and good only for the current school calendar year. Should any coupons not be used, no refunds will be offered. We hope this will allow for easier payment and allow your child more time to focus on homework and study skills. Checks should be made payable to PVUSD FEES.

More About Homework Club.....

Frequently Asked Questions.....

1. Where do I pick up my child? Teachers follow the same dismissal policy as stated for all enrichment. Parents may enter the building through the outside Media Center door just north of the flagpole entrance.

2. What if my child might be able to attend Mondays on some weeks and Thursdays on other weeks? Simply fill out both days on your application and send your child when he/she is able to attend.
3. Where can I purchase coupons? Coupons can be purchased directly from Homework Club or from the school office. Checks for payment to Homework Club must be written to PVUSD Fees. You can expect to find your coupons returned through your classroom teacher to your child in an envelope if you purchase through the office.
4. What if my child finishes his/her homework before dismissal? Any child who completes his/her homework will be expected to have additional self-directed activities to do (flash cards, book to read, spelling words to practice, puzzle book, etc..).
5. What if my child normally gets hungry after school? You are encouraged to send a small, neat snack. Please do not send any red or dark colored drinks.
6. What is the structure during Homework Club? All students are expected to respect the learning time of other students and the instruction of Homework Club teachers just as they would during the normal school day.
7. How will I know which dates Homework Club is not in session? Check the catalog page with specific dates listed (specific dates listed in addition to 1/2 days, conference weeks, AIMS testing week etc..).
8. Do I have to fill this form out again at any time during the school year? Only one application form is needed for your child to cover the entire school year. You are accepted for the full school year unless notified otherwise.
