

What Is the giftcard program?

When you purchase giftcards, you're purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, you earn revenue for our organization.

How this program generates revenue for Sonoran Sky?

The Great Lakes Scrip Center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of gift cards from grocery stores, department stores, and other retailers. Because the giftcard is purchased with cash up front, the participating retailers offer a substantial discount. Our organization buys the gift card from Great Lakes Scrip Center at a discount, and re-sells the certificates to families like yours for full face value. The discount - from two to fifteen percent or more – is our organization's revenue.

How do I get gift cards?
