

**PVUSD #69 Middle School Festival Sports Permission Slip**  
**Revised 4/28/09**

Dear Parents:

The Paradise Valley Unified School District has a wide variety of after school activities that include Student Clubs and Activities, Festival Sports, and Festival All Stars. All of the above mentioned activities are open to all students and physicals are not required. A fee will be charged for each activity and the fees will vary depending upon the activity. The Middle Schools' administration and coaching staff enthusiastically encourage your child's participation.

Festival Sports run 16 days and include a Saturday Festival competition. Saturday Festivals are tournaments held at a local high school and include all P.V.U.S.D. Middle Schools. The Festival Sports program provides weekly instruction of fundamentals by our high school coaches and athletes. Festivals also include EVERY student that signed up for the activity (no cuts). Boys' and Girls' Basketball, Girls' Softball, Girls' Volleyball and Boys' Football will also include an All Star team. Track and Wrestling do not have All Star teams. If your student makes the All Star team, there will be an additional \$25.00 activity fee payable before the first game. These All Star teams are chosen during the 4<sup>th</sup> week of the Festival Sports program. A 7<sup>th</sup> grade and an 8<sup>th</sup> grade team will be selected from the athletes who have participated in the Festival Sport. These All Star teams will continue their practice and will participate in 6 district competitions. The competitions will be held after school at our various middle school campuses. Continued participation will depend upon appropriate student conduct. Students may be suspended from participation for poor sportsmanship, disrespect or destruction of property.

Participation depends on the following:

- No Pass No Play pertains to All Star competition.
- In the event of inclement weather, games and Festivals could be cancelled
- Signing up by the announced deadline (parent permission form must be on file for each sport)
- Paying the activity fee
- Proper late bus paper work on file if necessary
- Continuous participation requires appropriate student conduct and attendance

-----

I have read the above information and give permission for my child to participate in the Paradise Valley Unified School District's Middle School Festival Sport program. I understand that continuous participation in these programs and access to the late bus is dependent upon appropriate student conduct. All spectators are expected to exhibit good sportsmanship during all practices, Festivals and competitions.
