## **School Directory & PTO Membership**

### **Class List**

Becoming an active member of the Wildfire PTO helps build our community, and supports numerous programs for our children and our school. Membership dues are only \$20 and include a copy of the Wildfire Elementary School Directory. The school wide directory will consist of an alphabetic list of all students, including parents' names, teacher name and grade, and phone number. Additionally, there will be a list by classroom, which will include the student's name, address, e-mail address and phone number. This classroom list will be sent home to each student.

In addition to student and teacher information, the Directory will also incorporate our own Community Business Advertisement Pages. These pages will provide the opportunity for Wildfire families to list services they provide. To include your ad in the Directory, please contact Joan Abraham @ [jabraham4@cox.net](mailto:jabraham4@cox.net) or 480/332-2055.

Our hope is to have EVERY FAMILY included in the Wildfire School Directory. **Please return this form, with your student's name, even if you choose not to be included in the directory.** Please sign below giving your permission to have your child's name included. This will help the PTO determine if they have received all the forms. Please remember to only provide the information you would like to have included in the directory and on the class list.
