

ARIZONA SCHOOL TAX CREDIT

Contributions to public schools have always been tax deductible. A tax deduction allows you to subtract the amount of a contribution from the amount of your taxable income. The new law allows a **tax credit, which is subtracted from the amount of state taxes you owe. A tax credit is a full refund of your money.** A tax credit will pay for student fees to the maximum of the donation (including athletics, fine and performing arts an other eligible activities).

A tax credit can be claimed on personal income tax returns only. Persons filing a joint return may claim up to \$400; single returns are limited to \$200.
