

EXPLORER JAVA

Make
Our Coffee
Yours

Buying a bag of Explorer Java
CAN make a difference.

We all benefit from
giving back to our
community, as
well as giving to
others who are
less fortunate.

GIVE LOCALLY,

GIVE GLOBALLY

Coffee is something that most Americans consume daily. We wake up to a cup in the morning and jump-start our midday drag with it. When you combine an item that is as widely used and accepted as coffee with a socially relevant cause, you have a “win-win” situation.

When you purchase a bag of Explorer Java, a portion of the proceeds will go directly back to our school.

A portion of the proceeds will also go directly to the small plantation community, whose members picked the very beans you are purchasing. The money our school raises, through these coffee sales, will allow us to provide some of the bare necessities this community needs for basic survival.

Make your dollar
count by
purchasing
Explorer Java.
