"Make Our Coffee Yours"

## Explorer JAVA Goes on Sale Beginning Monday, December 7!

The Explorer MS P.T.O. is partnering with Matador Coffee (a locally owned coffee roasting company), to provide "fresh" coffee for our community and a global learning experience for our students.

It all started with one coffee bean...one idea...led to another...and another...and voila...coffee is bringing us together; helping us raise funds for our school and others who are less fortunate. Why not make our coffee yours?

Learning together...to share our money with others who are less fortunate, save our money to support school needs, and spend our money responsibly and wisely. You're going to buy coffee anyway...so why not make our coffee your coffee!

Fresh Coffee at Explorer? Yes...join other parents and staff, and have a fresh cup of coffee FREE in our new Coffee Space in the front office. Brewed fresh every morning from 8:15 AM to 9:15 AM. Buy a pound of coffee to go for only \$10.00.

Coffee...bringing the local and global community together. Slow down and take a moment to enjoy a fresh cup of coffee with your neighbors and friends. Stop by Explorer every morning for a fresh cup of FREE coffee.

A portion of the proceeds improve the quality of life for plantation communities and our students build connections with third world countries. A global project for our students to connect with real people who have real issues our students care deeply about.
